BILLING CODE 4410-09-M

Antitrust Division

Notice Pursuant to the National Cooperative Research and Production Act of 1993—American Display Consortium

Notice is hereby given that, on January 1, 1996, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("the Act"), American Display Consortium ("ADC") has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing (1) the identities of the parties and (2) the nature and objectives of the venture. The notifications were filed for the purpose of invoking the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Pursuant to Section 6(b) of the Act, the identities of the parties are: Electro-Plasma Inc., Milbury, OH; OIS Optical Imaging Systems, Troy, MI; Photonics Imaging, Northwood, OH; Planar Systems, Inc., Beaverton, OR; Kent Display Systems, Kent, OH; Standish Industries, Inc., Lake Mills, WI; Three-Five Systems, Tempe, AZ, and FED Corp., Hopewell Junction, NY. The general area of planned activity is to engage in cooperative research to develop technology applicable to the design, production, testing and manufacture of advanced displays.

Constance K. Robinson,
Director of Operations, Antitrust Division.

BILLING CODE 4410-01-M

Notice Pursuant to the National Cooperative Research and Production Act of 1993—Research Consortium on Non-Heat Treatable Auto Body Sheet

Notice is hereby given that, on April 26, 1996, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("the Act"), The American Society of Mechanical Engineers, as Administrator for the Research Consortium on Non-Heat Treatable Auto Body Sheet ("the Consortium") has failed written notifications simultaneously with the Attorney General and the Federal Trade Commission on behalf of itself and the Consortium's members disclosing (1) the identities of the parties and (2) the nature and objectives of the venture. The notifications were filed for the purpose of invoking the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Pursuant to Section 6(b) of the Act, the identities of the parties are: ARCO Aluminum, Inc., Louisville, KY; Commonwealth Aluminum, Lewisport, KY, and; Ravenswood Aluminum Co., Ravenswood, WV. The nature and objective of the Consortium is to provide a national focus for identifying and resolving technical issues concerned with the development of non-heat treatable auto body sheet. To accomplish that purpose the members of the Consortium may: (1) Collect and exchange technical information; (2) assess the current state of knowledge and identify information gaps; (3) evaluate the adequacy of research or technology development programs of government and industry, and recommend appropriate actions; (4) evaluate the adequacy of current available instrumentation equipment or applications software, and encourage improvements; (5) advance technical capabilities by planning, organizing, and raising funds for and managing commissioned studies and/or laboratory research; (6) interact with public and private organizations, and; (7) foster the development of appropriate standards.

Constance K. Robinson,

Director of Operations, Antitrust Division.
